

AMERICAN COLLEGE PREP SUMMER

BOOST YOUR OPPORTUNITY FOR ADMISSION SUCCESS!

Raise your test scores, build confidence, and start your application to American Universities

Every international student can improve their profile for admission to an American university. The International Institute's American College Prep Summer Programs offer a variety of opportunities to strengthen your application.

Our air-conditioned building, fully internet equipped classrooms, café, garden, and extensive library provide a perfect setting for your studies. Students may take one, two or all the modules to enhance their chances of admission success.

American universities require either TOEFL or the SAT for international students whose first language is not English. The summer is the best time to focus on these exams. Without the distraction of academic work, you will concentrate on the exam you choose, and measurably improve your scores.

Choose one module or all to pave your pathway to the American University:

TOEFL OR SAT BOOTCAMP

July 1 - 12
10am - 1pm

Monday - Friday
30 hours

WORKSHOP FOR A SUCCESSFUL COMMON APP

July 22 - 26
11am - 12:30pm

Workshop guided by an American college professor. Students get started in completing the Common App with special attention to the required essay.

COMMUNITY SERVICE

July 1 - 31

American universities seek student engagement in activities that contribute to their communities.

ONE-ON-ONE SESSIONS

July 1 - 31

Register for as many TOEFL or SAT one-on-one sessions as you need.
